

ND CAMHS Parenting Advice & Consultation Service

The ND CAMHS team, in partnership with Deaf Parenting UK, has set up a new service for parents (both hearing and Deaf parents) of both deaf and hearing children living in the Bristol area.

The aim of this service is to provide parents with:

- * information
- * one to one support
- * advice
- * peer support group
- * relevant signposting

This service will be based at the NDCAMHS clinic at Elmfield School for Deaf children. The service will be opened to parents Wednesdays, from 9am-5pm. Home visits can also be arranged for those living in the Bristol areas.

If you would like to refer a parent to this service, please contact Monica Cherryson for a referral form.

To access the service, parents must meet the following criteria:

- Be a deaf parent and have deaf or hearing children aged 8 to 17 years.
- or
- Be a hearing parent and have deaf children aged 11 to 17 years.
- And
- Require some advice regarding parenting their children.

For further details, please contact me via email, text or via Skype:
